Renters should love becoming village people

Character: Tinkers House

Capable: Bramley Cottage

Kirtlington is always popular with families, thanks to its easy access to Oxford, good primary school and other amenities.

Letting agents Finders Keepers has two attractive family homes to let in the village.

Bramley Cottage is a semi-detached five-bedroom house with three bathrooms, one of which is en-suite

There are also two reception rooms and a conservatory plus a large kitchen/breakfast room with Rayburn. The stone-built property also includes a separate kitchenette/utility room, garden and double garage.

It is available, unfurnished, from the middle of May and pets will be considered.

Tinkers House is a four-bedroom double-fronted

By Gill Oliver

character home. It includes a sitting room with stone fireplace, dining room with wooden floors and a conservatory overlooking the garden.

There are three double and one single bedroom, with shower cubicles and basins in two of them.

Other highlights include off-street parking, a garage and some garden maintenance included in the rent.

The property is available, unfurnished, from the beginning of June.

June Ingles, of Finders Keepers, said: "Kirtlington is one of the most popular villages in Oxfordshire.

"One of the lovely things about living here is that residents have

right of access to the stunning, Capability Brown-designed grounds of Kirtlington Park.

"There is also an excellent primary school, the Dashwood gastro pub and a village shop well-known locally for its excellent takeaway curries on Friday nights."
