THERE'S nothing nicer than being at the heart of cosmopolitan Oxford in the summer when the city is at its brightest and buzzy best. Our beautiful university city has expanded and modernised without losing any of its historical charm.

If you are looking for a rental property that puts you at the heart of all the action, then Finders Keepers has a particularly gorgeous duo of luxury apartments currently available.

The first furnished duplex apartment overlooks the plaza at the historic castle complex so you have culture and a choice of eateries on the doorstep and the new Westgate shopping centre is minutes away. It is the perfect property

for a professional couple or two sharers.

The apartment has a 20x17ft double-height living/dining room with a balcony, perfect for perusing the papers or sipping a glass of chilled wine on a summer's evening. There is a modern open-plan kitchen with integrated appliances, two double bedrooms, a bathroom and downstairs shower room. There's no parking but for those who need to access to London, Oxford train station and London bus stops are within walking distance. This city centre apartment is available at £1,950pcm.

Just off the Botley Road and alongside the River Thames in Mill Street, Oxford, a stunning two-bedroom furnished apartment is located in a former warehouse building.

Offering a chic lifestyle in a convenient location, just minutes from Oxford train

station and a short walk to the city centre, it has lift access and off-street parking for one vehicle. Two of the city's best eateries are on the doorstep too – it's a two-minute walk to The Porterhouse Grill, serving fabulous steaks, and around eight minutes to The Punter, alongside the river so you can watch the barges and boats gliding up and down as you sip your pint in the pretty little garden.

With interior-designed furnishings this Mill Street apartment boasts a spacious 21x18ft dual-aspect living/dining room with fitted kitchen, two large 16ft bedrooms, one of them en suite, and a bathroom.

The rent for this apartment is £1,875pcm.
