LOOKING for a spacious family home to rent in Oxford, or nearby? Then look no further, because there are some properties to suit you.

At Stanton Road, Harcourt Hill, Scottfraser has a substantial four-bedroom, two-bathroom detached family home for £2,300pcm.

Unique features include spectacular views of Boars Hill and Oxford's dreaming spires, large garden, private field and office/study.

It's ideally located west of Oxford with good access to major links. If you prefer walking, it's a 40-minute stroll to Carfax, or two minutes to public transport routes into the

city centre. This property is available furnished or unfurnished and pets are welcome. The rent even includes gardening.

For more information contact Scottfraser Summertown lettings on 01865 554577.

Two family homes within walking distance of the city centre are currently listed with Finders Keepers.

The first is a fully-furnished and freshly refurbished apartment with four large bedrooms in Little Clarendon Street, Jericho, at £3,000pcm.

On the first floor is a spacious living room with high ceilings and new furnishings, a separate kitchen with appliances, bathroom and bedroom. There's three more bedrooms and a shower room on the second floor.

In the heart of trendy Jericho, restaurants, pubs and cocktail bars are on the doorstep of this apartment, while Oxford University Parks for winter walks is nearby.

A four/five-bedroom, three-bathroom property makes the perfect family home in Beech Croft Road, Summertown, at £3,000pcm.

The large kitchen (with space to dine) has bi-fold doors leading to the private garden at the rear which has its own garden room/studio. It also has off-street parking space.

Summertown's Beech Croft Road is close to schools, lovely places to eat and drink, and even fitness centres such as the Nuffield Health Club.

For further information on either property, call Finders Keepers on 01865 311 011.
